

“ Just doing our normal jobs is hard enough, let alone doing our jobs and trying to learn new software. SpearMC’s training program helped people see the benefits of the new software, and allowed us to continue working throughout the process. —Public Health Institute

Effective training is fundamental to ensure superior performance and productivity.

SpearMC provides students with valuable skills necessary to maximize your return on investment. Our training programs focus on combining standard functionality with real-life best practices. Classes are taught by seasoned experts with years of implementation experience.

WHY TRAIN WITH SPEARMC?

- We are North America’s leading provider of customized PeopleSoft Training solutions
- We specialize in PeopleSoft
- Learn in an interactive classroom format
- Expert instructors with real-life experiences
- No student travel expenses
- Customizable solutions to fit your budget
- A fraction of the cost of an Oracle class

OUR BACKGROUND

SpearMC is a technology and professional services firm specializing in PeopleSoft. An Oracle Certified Gold Partner, SpearMC provides ERP Integration, Project Management, Training and Technology solutions. We are recognized throughout the industry as a knowledge leader.

ON-SITE PEOPLESOFT TRAINING

By choosing on-site PeopleSoft training from SpearMC, you obtain expert-level training at an exceptional value. Our classes are taught in a traditional classroom format, promoting interaction between instructor and students.

Advantages of On-Site PeopleSoft Training include:

- On-site training in your familiar environment
- Priced on a per-day basis, not per-student
- Student incurs no travel or lodging expenses

ONLINE PEOPLESOFT TRAINING

SpearMC’s online PeopleSoft training is also available for users with diverse levels of experience. Our comprehensive accelerated online courses are geared for those interested to quickly learn PeopleSoft in a web-based, instructor-led setting. We stand behind our product with a 100% satisfaction guarantee.

PEOPLESOFT FOCUS AREAS

Although course offerings are enhanced over time, our PeopleSoft training courses generally emphasize the following application suites:

- Financials and Supply Chain Management
- Human Capital Management and Payroll
- PeopleTools and System Administration
- Grants Management for Healthcare/Research
- Campus Solutions for Higher Education
- PeopleSoft Integration: Workday, Oracle Primavera, IBM Maximo
