

PeopleSoft 9.2 Accelerated nVision 2 Day Course

Financials Supply Chain Management (FSCM)

Accelerated nVision Agenda

This custom 2-day training class has been developed for functional PeopleSoft FSCM users with intermediate technical capabilities.

PeopleSoft v9.2 Accelerated nVision training quickly introduces students to the PeopleSoft nVision tool. Through scenarios, real-world use cases, and walk throughs, students learn how to develop new and modify existing PeopleSoft nVision reports.
