

Oracle Guided Learning (OGL) for PeopleSoft Half-Day Course

Oracle Guided Learning - Agenda

This custom half-day training class has been developed for the Oracle Guided Learning (OGL) for PeopleSoft basic users with intermediate technical capabilities.

OGL training quickly introduces students to the OGL tool. Through scenarios, real-world use cases, and walk throughs, students learn how to develop new and modify existing OGL guides.

What is OGL?

- OGL Defined
- What does OGL Do?
- Benefits of Using OGL
- OGL Terms
